

HARSTER

Att to EGMA 56011, 5 Sept 61

KUNZE also mentioned that in the Spiel Material that UPHILL had authorized UJNUTLET to pass to the RIS there had been information concerning the background of Wilhelm HARSTER and the suggestion that he was recruitable and a good agent candidate for the Soviets. KUNZE noted that UJNUTLET had, of course, passed roughly similar information concerning UJDRUG and it was on the basis of this that the RIS contact with UJDRUG had taken up after the suicide of UJNUTLET.
